Focused 3-2-1

Name or classroom code (optional): _____ Date: _____

Learning target: [Name the process or idea]

Reference: [Put the short passage, model, example, or procedure here]

3: List three important steps or ideas in [the process]. [Tell students if order matters.]

2: Use two of your entries to explain how or why [ask one focused question about the process].

1: Write one question you still have. If you don't have a question, name one part you could check and say how.
