

Reading: Local Planning Record

Classroom copy · 1 October 2026

Optional local planning record

Use one sheet for one teaching decision. Keep this record locally; do not send student names or work through the website.

Pack and task title:

Response evidence: what the learner actually said, wrote, pointed to, or selected:

Conditions: text access, support, response mode, time, or other relevant context:

Tentative interpretation: what this response may show, and what remains uncertain:

One next teaching move and why it fits the visible evidence:

Follow-up task and response evidence:

Next decision and limits of this evidence:

Shared local record · optional; no student upload.
