

Recheck two requested government actions

Read the Massachusetts resolution

Use its source card and both original images. This document has not been used in the worked model. If you have already studied it in detail, tell your teacher so they can note that exposure.

1. Identify the organization, date and two kinds of government recipients asked to act. What legislative action is requested?

Write or sketch your explanation

2. Does this resolution oppose all transportation and lodging in the parks? Explain with a detail. What does adoption of this resolution establish, and what government outcome does it not establish?

Write or sketch your explanation

3. Explain why this resolution and the later Act cannot alone prove that the clubs caused a condition of the law or that all people agreed. Name evidence you would seek for one of those claims.
